"Feeding the Hungry amongst Us"

The Pacesetters invite everyone to join them on Saturday, December 16 for Gregory Athnos' presentation on 'A New View of Handel's Messiah'.

Greg, Professor of Music for 32 years at North Park University, has done research and has an entirely new view of Handel's spiritual commitment to the text used in the masterpiece.

Greg will present two lectures - Handel and His Inspired 'Messiah': We think we know this monumental work, having heard it or sung it so many times. But is there another way to look at the masterpiece? Can we discover another level of 'spiritual depth or commitment'? Who assembled the texts? Why? How did Handel incorporate his own 'spiritual understanding' of the texts? We will view the composition from the same 'Baroque' perspective the composer used.
